Construction Industry Economic Forum

April 27, 2010

Florida Independent Concrete and Associated Products (FICAP), Florida Home Builders Association (FHBA) and the Masonry Association of Florida (MAF) have organized a construction industry economic forum featuring top economists in the field.

The purpose of the forum will be to bring top economists together to discuss the future of construction in Florida. We expect first quarter 2010 data will be available to give the industry some sense of direction and information to forecast the year and beyond.
